ROUTING SHEET

ADW-7

AD/SI

1. Regarding your write-up on the operational status of the [REDACTED] I suggest that you raise the salient feature of potential operational capability of this facility at the morning meeting as evidenced by the landscaping. Indicate to the Director at that time that you have a write-up which goes considerably beyond - into the collection potential - which we as DD/S&T can forward to him as he has the time to read it.
